Subject: PLUM Hearing

Hi Carol,

I'm sure you have heard, but both of our projects will be on the agenda tomorrow at the PLUM committee hearing. If you are available, we would really appreciate your support at the hearing.

If not, it would be great if you could request as many people as possible to attend. We have heard that the amount of community support for the projects at the hearing will be instrumental in assuring the projects are approved.

Thank you for all your help thus far. Its great to finally be at the finish line. Hopefully we'll get a positive result.
